# WITH A FALCON AT THE HEART OF THE KITCHEN, THE KITCHEN IS ALWAYS THE HEART OF THE HOME.

## WHY CHOOSE FALCON?

Falcon range cookers are hand built in Royal Leamington Spa (U.K.), at the original site where they have been produced for more than 190 years.

Falcon cookers are 70% handmade and 100% hand assembled - each cooker taking 3 days to build. On its journey around the factory over 100 people interact with every cooker, which is made up of over 2000 parts. 99% of the cooker can also be recycled, assisting in sustainability efforts.

With over 150 different design combinations to choose from, there is a Falcon cooker to match your style. Choose from modern industrial, traditional country or contemporary designs in a wide range of colour and trim finishes.

# IMPORTANT FALCON INFORMATION

## 30% OFF RANGEHOOD OFFER

Purchase a Falcon cooking package containing one Falcon upright range cooker and one Falcon rangehood in a single transaction and you will receive a 30% discount off the original price of the rangehood. Range cooker and Rangehood must be on same proforma. 30% discount off the Rangehood may be used in conjunction with other Falcon offers where specified in the terms of those offers. Available from 1st February 2024.

## FALCON OFFER A STANDARD 5 YEAR WARRANTY

All Falcon appliances are covered by full 5 year (60 months) parts and labour warranty. Andi-Co Australia Pty. Ltd. warrants that if any part in the domestic product fails due to a defect in materials or workmanship during the 5 year (60 months) warranty period commencing from the date of invoice to the Customer, Andi-Co Australia Pty. Ltd. will provide free of charge, all labour and related service costs to replace the defective part. The warranty is valid on the condition that Falcon appliances are installed in full accordance with the manufacturers installation instructions and in a tradesman-like manner, otherwise guarantee will be void. Where applicable, Falcon cooking appliances must be installed by a qualified electrician or plumber. Failure to produce documentary proof of approved installation will negate the 5 year (60 month) warranty.

## DELIVERY

Direct home deliveries are available for those residing within eligible postcodes in metropolitan areas - please visit [www.andico.com.au](http://www.andico.com.au) for a list of eligible postcodes. Direct home deliveries within metropolitan areas are free of charge for Falcon range cookers and rangehoods. Our free delivery service includes delivery into a ground floor (maximum three steps) location into a room of your choice. Product will be delivered packed ready for your installer to unpack and install. The delivery will be made using appropriate material handling equipment which requires solid surfaces that can bear the load, and clear access for the width and height of the appliance, as well as room to navigate corners etc. Anything additional to this may incur additional charges. Accessories will only be direct delivered if purchased and delivered in conjunction with a Falcon range cooker and / or rangehood. Alternatively, goods will be delivered free of charge to the place of purchase (retailer). Please note for all deliveries that are not eligible for home delivery (postcodes that are not listed) the Falcon appliances will be delivered direct to the place of purchase.

**Special Order** (special order models denoted in red)

By placing an order for a special order cooker, the customer has accepted the following terms and conditions: 1. Cancellation of orders will not be accepted under any circumstances. 2. Andi-Co will notify the customer when goods arrive. 3. 16 weeks is an approximate time frame only - goods may arrive earlier or later than anticipated due to circumstances out of Andi-Co Australia's control.

\* Order via Andi-Co spare parts division only.

**Run Out** (run out models denoted in blue).

Check availability prior to placing an order to avoid disappointment.

Every effort is made to ensure all information and specifications within this document is correct and up to date. Due to continuous improvements on both technical and manufacturing level this information should be regarded as indicative only.
